Coffee Lots

The 17 coffee lots being offered for sale through this internet auction were designated Cup of Excellence (COE) winners at the 2020 Nicaragua competition. The designated coffees were blindly cupped through the following process:

Preselection stage: April 15th – 19th with the 8 National Judges and the head judge in Matagalpa, Nicaragua with Rony Gamez as the head judge and Fatima Lopez as a supporting head judge.

National stage: April 28th – May 1st with the 8 National Judges and the head judge in Matagalpa, Nicaragua with Rony Gamez as the head judge and Fatima Lopez as supporting head judge.

International stage: The designated coffees were blindly cupped throughout the month of May, 2020 by a panel of COE experienced cuppers designated by ACE in 6 Global Coffee Centers (GCC) around the world.

No other coffee can be sold using this designation. Online bidding for any Cup of Excellence lots is only available through this website. Each lot is separate and distinct. The top 3 lots scoring 90+ points have already been separated into 2 distinct lots labeled A and B. Samples have been made available.

Packing Information

The Nicaragua Cup of Excellence coffees are vacuum packed in cartons each containing 2 (two) 15kg bags. Successful bidders will be charged \$.20 (twenty cents) per pound mandatory fee for vacuum packing in addition to the per pound cost of the auction price for each lot. Bidding calculations and vacuum packing fee are based on actual pounds after milling and packing the coffees. The number of 30kg boxes as well as the weight in pounds will be shown. A broken seal on any vacuum package does not automatically warrant a claim or indicate a quality change.

Financial Responsibility for Payment and Group Bidding

The individual bidder placing the highest bid at the close of the auction is responsible for the financial payment to the exporter of the entire lot. Individual bids once accepted by the auction software, may not be revoked or withdrawn. The exporter may approve multiple payments and multiple shipping instructions for a single lot but only if the successful bidder requests the approval and submits all of the shipping instructions within 7 days of the auction. **If the exporter or the country partner denies the request for any reason the bidder will be held liable for the entire payment regardless of group purchase. If a lot is split and sent to more than one destination the buyer will be responsible for any additional costs or fees associated with that export.**

It is required that the lead bidder in the auction to collaborate with the exporter facilitating communication and expediting the payment process if any setbacks are encountered regarding payment or complications in communicating with other buyers from the group.

Payment Requirements

Full payment of the lot(s) and the packing fee(s) is required prior to shipment unless other requests are made in writing and approved in advance. Cash against documents must also be approved in advance of the auction. Prepayment of the lot is required if moved to another exporter to be shipped. Shipment, quality and delivery responsibility will revert to new exporter.

Full payment is due 30 (thirty) days after the close of the auction regardless of ship date or method. A **minimum 2% monthly late fee may** be charged for any lots not paid within 30 days.
